Our Human Desires: Identifying, Strengthening, and Converting the Longings of our Heart

Presented by:
WVIS Associate Spiritual Director
Sr. Cheryl Clemons, OSU, Ph.D.

Friday/Saturday, March 3-4, 2023, via Zoom

Jesus' first words in John's gospel ask, "What are you looking for?" This call invites us, especially during Lent's call to conversion, to explore the deep desires of our hearts. Through silence, imaginative contemplation, reflective sharing, and exploring both the Examen and some of the Ignatian Rules for Discernment, retreatants will be invited to draw closer to God present within our deepest desires.
